Houston, TX 77002

Re: Remedial Investigation Report for the Crouse-Hinds Landfills (Site No. 7-34-004)

Dear Mr. Olavarria:

The New York State Department of Environmental Conservation (Department) has reviewed the revised Remedial Investigation Report for the Crouse-Hinds Landfills Site (RI Report), dated August 5, 2009. The RI Report provides enough information to move forward with the Remedial Investigation/Feasibility Study process and is hereby approved.

As per the approved Remedial Investigation/Feasibility Study Work Plan, draft Remedial Action Objectives should be submitted for review to the Department by November 6, 2009.

If you have any questions regarding this letter, please feel free to call me at (518) 402-9676.

Sincerely,

Richard A. Mustico, P.E.
Project Manager
